

YARN WEIGHTS ABLE TO BE PROCESSED

Currently we are limiting ourselves to the following yarn weights:

- Spinning
- Singles or Plied
- 8ply (DK, 2/7Nm, 143 Tex)
- 4ply (Fingering, Sock, 2/9Nm, 111 Tex)
- 2ply (Lace, 2/14Nm, 69 Tex)
- 1ply (Baby, Cobweb, 2/18Nm, 57 Tex)

Plying (Number of Ends)
2 ply through to 8 ply.

As we feel comfortable with our machinery and settle into the processing we will extend our range of yarn weights and plies. So please be patient with us, as it takes time to recreate lost skills.

If you would like to talk with us about a custom weight range please don't hesitate to call us on 0403 933 044 so we can discuss the possibilities.

Alternatively you can email suzette@paddocktoply.com.au with your request and we will get back to as soon as possible.
